

**MARTINSVILLE
TREATMENT SERVICES**
A PINNACLE TREATMENT CENTER NETWORK

OPEN HOUSE AND RIBBON CUTTING

Join us for the opening celebration of our new outpatient opioid addiction treatment program in Martinsville, Indiana.

IN COLLABORATION WITH:

Wednesday, September 28, 2022 | 1- 3 p.m.

Martinsville Treatment Services

510 Grand Valley Boulevard, Martinsville, IN
on the campus of Recovery Works Martinsville

Refreshments will be served.

Martinsville Treatment Services provides medication-assisted treatment (MAT) utilizing methadone, buprenorphine, Vivitrol, and individual and group counseling. Patients learn coping strategies to manage their addiction; receive vocational, parenting, social and life skills counseling; and benefit from wrap around services such as case management and peer support. Gender-specific groups available as well as specialized programming for pregnant women and new mothers. Medicaid and commercial insurance accepted; reasonable self-pay rates available.

RSVP to:
