

PINNACLE
TREATMENT CENTERS

2022 | ANNUAL REPORT

Residential, Outpatient & Medication-Assisted Treatment Programs

OUR MISSION:

To make recovery possible by transforming lives, communities, and families we serve with treatment that works.

OUR VISION:

To build a better world where lives and communities are made whole again through our comprehensive treatment of people with substance use disorder.

Joe Pritchard, CEO

Joe's mission is to help those suffering from addiction, and he brings the kind of passion that can only come from having experienced addiction firsthand. In addition to his own recovery, he is nationally recognized as a leader in the field of substance abuse treatment, with more than 40 years of experience. In his role as CEO, he uses his extensive knowledge in operations, development and strategic planning to provide patients the opportunity to restore their lives. Joe has built a team of renowned substance use disorder professionals who are committed to providing comprehensive patient treatment and care.

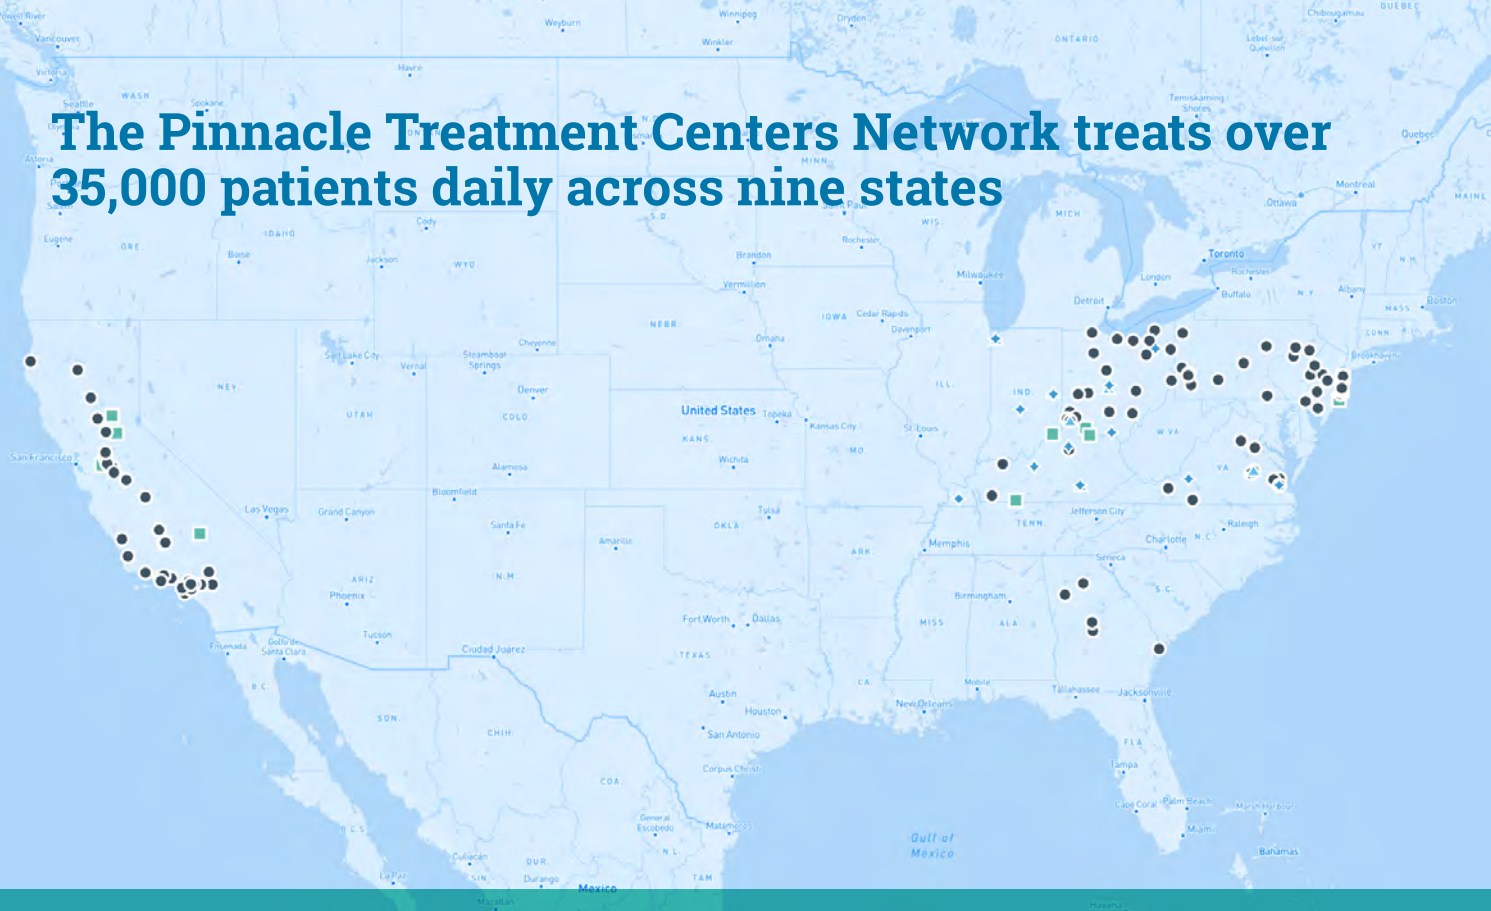

Because we put our patients' recovery first,
Pinnacle Treatment Centers is committed to
doing whatever it takes to help them on their
journey toward healthier, happier lives.

We provide a full continuum of community-based
care, from medication-assisted treatment and

Our Approach To Lasting Recovery

residential programs to outpatient and alumni
programs. We innovate, trying new tools and
treatments and keeping those the evidence
says works. And we partner with regulators
and payers to ensure both patients and
communities have the services they need.

The Pinnacle Treatment Centers Network treats over 35,000 patients daily across nine states

WE TREAT PATIENT'S PHYSICAL, EMOTIONAL, SPIRITUAL, AND PSYCHOLOGICAL WELL-BEING.

Pinnacle Treatment Centers facilities are either CARF accredited, Joint Commission accredited, or seeking accreditation, with decades of delivering positive, life-changing outcomes for patients, families, and communities. Our team of credentialed physicians, nurses, clinicians, and administrative and support staff provide a full continuum of quality care that includes detoxification for residential and outpatient clients as well as transitional living programs.
