

SANDUSKY
TREATMENT SERVICES
A PINNACLE TREATMENT CENTER NETWORK

OPEN HOUSE AND RIBBON CUTTING

Join us for the opening celebration of our new opioid addiction treatment program in Sandusky, Ohio.

Meet our compassionate treatment team and tour the facility to learn about the addiction treatment services* we provide for men and women in the community.

Wednesday, June 2, 2021 | 2- 4 p.m.

Sandusky Treatment Services

1036 Cleveland Road
Sandusky, OH

Refreshments will be served.

Sandusky Treatment Services provides medication-assisted treatment (MAT) utilizing methadone, buprenorphine, and Vivitrol, and individual and group counseling. Patients participate in grief/loss therapy and meditation; learn mindfulness skills, coping strategies, and anger management; receive nutritional, vocational and life skills counseling, and more. Medicaid and commercial insurance accepted; reasonable self-pay rates available.

RSVP by May 28th to:

Jason Pollick MBA, MS
